Football Season's Activities Reviewed

Barium's 1938 football season started under the arc lights at Morganton on the night of September 16. Morganton has one of the stronger teams in the Western Conference. The night was beautiful, a large enthusiastic crowd attended, and the game was a thriller. Barium played with a brand new quarterback, Arthur Roach. They scored two touchdowns in the first half with comparative ease, but the second half was a different matter. Morganton came back strong, scored one touchdown, and seemed headed for another. But in their overeagerness committed several fouls—and this slowed up their attack. The final score, Barium 12—Morganton 7. This was a good game for a starter.

The following week the varsity went to Charlotte to take on the state champions of the year before. This game was also played at night, and was a most interesting affair. The Barium-Charlotte game drew the largest high school crowd in North Carolina this season, the reported number being 7,000. Barium was far outweighed but played the most consistent game, but were unable to push over a score, although threatening the Charlotte goal line several times. The final score: Charlotte 6—Barium 0. The first downs in this game were about even, with all of Barium's being earned the hard way—two of Charlotte's being the results of five-yard penalties. This was one of the most enjoyable games of the season, with both teams leaving the field with their heads up and feeling that they put up enough resistence to stop the threats in time.

The following Friday (September 30) Barium took on another Class-A opponent, this time Salisbury at Salisbury. The day was clear, but it had rained a few days before and the field was slippery. Both teams had difficulty in gaining with anything but straight power plays. The result was: Barium 14—Salisbury 0. One of these scores was the result of a miraculous forward pass catch by Captain Arthur Sigmon. The pass was caught in the end zone and accounted for the first touchdown. Salisbury was powerful and threatened several times during the game, but Barium put up enough resistance to stop the threats in time.

The following week, Barium played her first home game, and although it went to the visitors, 6 to 0, it was one of the best games of the season. The Children's Home fine well trained line and her most competent backs appeared to be too much for Barium, and yet somehow Barium held them for a lone touchdown and if they had been able to handle forward passes with their usual skill the results might have been different. The Children's Home-Barium game was played on Sloan Field on Friday, October 7. The last quarter of the game was played in Children's Home territory, and several times Barium had victory on their fingertips but never in their grasp.

On October 14th, Barium once more returned to night performances, taking on Lexington at Lexington. This was played before another big crowd. The Barium—Lexington series of games is one of the most interesting on both team's schedule. Neither team is able to score consecutive victories it seems. In 1936, the teams played to a tie; in 1937, Barium defeated Lexington by several touchdowns, but this year it was Lexington's day. The final score was Lexington 14, Barium 6.

This appeared to be Lexington's toughest hurdle in the conference competition, and she sailed through the regular season after this game with victories of a wide margin. Lexington now has to play The Children's Home a post season game to determine the championship of the South Piedmont Conference.

On October the 21st, Barium played her second home game on Sloan Field and lost it by the biggest margin of any game played this season. Kannapolis brought a big, powerful, green shirted team here, and they departed with a 13 to 0 victory. One of these touchdowns was by a concerted drive which Barium seemed unable to stop. The second touchdown came as the result of an intercepted pass. A crowd of wildly enthusiastic Kannapolis fans accompanied the team that day who together with Barium supporters wholeheartedly congratulated the visitors on the splendid performance of their squad. Kannapolis has always been a worthy foe, and the Barium team (while putting up a splendid game against them) did not begrudge this well earned triumph for these friends from the Towel Town.

On October 28, Barium began another invasion of Class A ranks. This time they went to Gastonia and defeated their team 13 to 0. This was the first real cold night that our team had experienced. The team seemed to enjoy playing in this cooler weather, but it was terribly hard on the spectators. One interesting thing in this game was that the Barium boys ran across an old friend, one of the outstanding Gastonia players. This was a boy named Burdette who had played a year or two previously on the midget team in Statesville. He had moved to Gastonia and had grown up, the boys he had played against at Barium had grown up— and they met together again in more or less violent contact in this game. Burdette made quite a name for himself in this and other Gastonia games.

On the night of November 4, our team journeyed to Greensboro

GOOD NEWS

The "good news" items for the December issue of The Messenger could be termed as extraordinary good news, because officials at Barium Springs have been notified that four Sunday Schools in the Synod are adopting the Offering-per-month plan.

Three of these Sunday Schools are in Concord Presbytery, as follows: Old Fort, Siloam and Salisbury First. Three classes in the latter have been helping regularly, but the session recently voted permission to let the entire Sunday School proper give one of its Offerings each month to Barium.

The other new-comer is Brittain Sunday School, in Kings Mountain Presbytery. That Sunday School is simply re-instating this plan, for it was formerly in use in that organization.

WHAT SUNDAY SCHOOL IN THE NORTH CAROLINA SYNOD WILL NEXT BE RECORDED IN THIS GOOD NEWS ARTICLE?

ORPHANAGE COMMITTEE TO MEET IN GREENSBORO

Meeting Will Be Held on Jan. 10th to Discuss Ways of Increasing Regular Income

An adjourned meeting of Synod's Orphage Committee, appointed for a two-year term by the Synod of North Carolina in its stated session at Greensboro last fall, will be held in the city of Greensboro on January 10th, at which time the ten members will hear the latest reports on the 1938 Thanksgiving Offering and will consider plans looking toward a larger regular month-to-month income for the Presbyterian Orphan's Home, as instructed by Synod.

The decision to meet again in Greensboro - a central point for the members - was reached when the committee met at Barium Springs in early October to map plans for the emphasis that was to be placed upon the Thanksgiving Offering. It was also definitely decided at the October meeting to issue quarterly pamphlets and the material which will be used in the second of the series will be considered at that time. The first bulletin was an allotment of 60,000 pamphlets distributed before and during the Thanksgiving season.

Full information will be available for the Presbytery chairman as to the regular giving of all Churches within his territory. Ernest Milton, treasurer of the Orphanage, had been asked to prepare that data for the committee from the ledgers on each church in the office at Barium Springs. In all likelihood, a report will be placed into the hands of each committee as to what each individual church gave as 1938 Thanksgiving Offering, insofar as the reports have been completed at Barium by the night of January 4th.

Elsewhere in this issue of The Messenger is information that four Sunday Schools have adopted the offering-per-month plan in those organizations. Because of Synod's re-affirmation in its sessions at Davidson a few years ago of a former recommendation that such a plan be incorporated in the program of the Sunday Schools, it is believed that this phase of the giving will claim much of the attention of the committee at its January 10th conclave. The adoption of the plan by some of the four new-comers is already a partial outgrowth of the work of this committee.

Chairman of Synod's committee is J. Archie Cannon, Concord, and the Presbytery representatives are: Albemarle, R. Brooks Peters, Tarboro; Concord, Gettys Guille, Salisbury; Fayetteville, L. L. McGoogan St. Pauls; Granville, T. C. Worth, Durham; Kings Mountain, J. L. Kendrick, Gastonia; Mecklenburg,

Thanksgiving Report

The most frequent question at Barium Springs since November 24th has been, "How did the Thanksgiving Offering come out?" and when a statement is given as to what has actually been received, the query invariably follows, "What do you think it will amount to this year?"

On December 20th, the day that The Messenger went to press, the amount that had been received was $33,466.59, and a tentative estimate of what the final would be was given at $42,000.00. Whatever estimate is given has to be somewhat "in the dark", for close to 125 churches were either to send their initial offerings or were to complete their reports. Much depends, too, upon the amount of the supplementary sums that will be sent by three of the larger churches in the Synod that take pledges, payable for several months following Thanksgiving Day.

This estimate would, therefore, give Barium Springs a Thanksgiving total for 1938 that is in the neighborhood of $2,000 less than the 1937 aggregate.

Of the 369 completed reports at Barium on December 20th, almost 35.1% of the churches had equalled or surpassed the 1937 Offerings, leaving 129 churches that fell below last year's sums. Of the 240 that had given more, 53 had established new 14-year peaks in their giving to Barium Springs. Reports had also arrived from 26 Chuches or Mission points which failed to make 1937 Thanksgiving Offerings for Barium.

BOARD PRESIDENT HAS APPOINTED COMMITTEES

The organization of the Board of Regents for the coming fiscal period has been completed with the appointment of committees by Rev. J. Rupert McGregor, Th. D., of Burlington, president of the Board. Other elected officers are W. B. Bradford, Charlotte, vice-president, and Mrs. John Harper, of Wilmington, secretary.

Committee appointments are as follows: (The first-named individual is chairman of each committee.)

Finance—S. Parks Alexander, Durham; J. S. McKnight, Shelby; Mrs. Z. V. Turlington, Mooresville, and Mrs. Plato Monk, Wilson.

Educational—Prof. John W.

DOWNPOUR GREETED THE HOME-COMERS NOV. 19

Rain Did Not Interfere, However, With the Re-Unions.-Loyalty Shown at Game

Barium Springs staged one of those old-time Home-Coming days this year. It took place on November 19th, the Saturday before Thanksgiving. This is a day that is usually clear, cold, and just ideal for the events that take place on Home-Coming day. But this year the weather man reverted to the kind of weather that we experienced in our first Home-Coming efforts. You old-timers all remember how it was! We tried to stage those first Home-Coming events during the Christmas holidays and invariably it rained. The weather might be pretty right up to that day, but but on Home-Coming Day there was no doubt about the weather. It was "falling" weather, and about all the Home-Coming crowd could do was to sit around and see who could think up more things to tell that happened during their childhood here at Barium. Not an unpleasant occupation, by the way! In spite of the rainy days, the popularity of Home-Coming Day increased with each year. And, finally, it was decided to have the day earlier in the fall and on a day when there was a football game.

That change was made, and the weather man smiled on it. Every year we had beautiful weather, until this year of 1938. Maybe it was because the day was set on Saturday, rather than on Friday. All of the other Fridays had been wonderful fall days, but this one Saturday certainly did act up! In spite of the weather, a good crowd of old-faithfuls came back. The weather did not dampen their enthusiasm. If anything, they seemed to be more enthusiastic than ever.

William Hudson was one of the most efficient presidents the Alumni Association has ever had. There was not a dull moment in or out of the meeting.

The day started out with a pep meeting, just before the mid-day meal. This pep meeting is always livened up by the return of old football players and old football fans. Immediately after this informal meeting, the next big event was dinner. And for us that was a big event. That is one time the crowd gets together and is united in body as well as spirit. There were 100 extra places prepared in our big dining room, and these were all filled.

Immediately after this mid-day meal, the alumni meeting was held.

News From Some of the Cottages

BABY COTTAGE

Hello Everyone,

This is the babies bringing you another monthly report of us. Many things have happened since we wrote you last.

On Thanksgiving Day we had a great big dinner; cranberries, ice-cream, chicken, dressing, gravy, rice, were all on the menu and we certainly did enjoy them. We want to thank all the kind friends who helped in giving us this. The cakes for Thanksgiving were a little bit late, but we enjoyed them on Sunday.

Thanksgiving morning we had worship season in our church, praising God with our songs and offering. We had many things to thank God for; his guidance during the year, for home, friends, health, happiness, and other things.

Mama O'Kelly and Miss McKethan took several of us boys and girls to Winston-Salem to give a Thanksgiving program. We sang several songs, recited Scripture and some Thanksgiving poems. After church they gave us a great big dinner with all kinds of fixings; they even gave us ice-cream make just like a turkey. We want to thank them for this and for the toys they gave us. We all had great fun playing with them.

We have fourteen girls now. Jacky Porterfield from Greensboro came to live with us and we certainly are glad to have her. She is the youngest girl here. She came just in time to write Santa Claus.

We all wrote to Santa Claus the second of December and we all have different ideas of what we would like Santa to bring us. We want him to know where we live. Helen Barnes has a birthday Christmas Day and won't that be fun for her?

Statesville had a parade Friday and we saw Santa Claus in a truck and he threw candy out to some of the people. They had lots of pretty lights and decorations.

We went to see Shirley Temple in "Just around the Corner". We like to see Shirley play. Mr. Sams also invited us to see Martha Ray in "Give Me a Sailor". We enjoyed seeing both of these.

Jack Frost has killed most all of our flowerbox plants. Of course, he has to come but we wish he would be more careful just what he bites.

Hattie Michael, one of our large girls, and two small girls, Essie Jean Lee and Clara Mangum, went to visit churches in Charlotte in November and had a pleasant time. Hattie also went to Salisbury one night.

Not any of us has been sick yet; only slight colds. I guess this is because of the new shoes Mr. Lowrance bought us. We like to dress up in our new coats and shoes for they are very pretty.

We thank the friends who brought us the oranges; they help us out a lot. We also thank our Hickory friends who sent us the spreads. They are lovely and we needed them.

Mama O'Kelly took us to see Mr. Lowrance's goldfish. He fed them while we were there and lots of them came to the top. He has a beautiful goldfish pond.

I guess this will be all for this time.

—Us Babies

LEE'S COTTAGE.

Hello Everybody!

This is Lee's coming back with its bits of news.

It seems that "Old-Man Winter" has come back to visit us again. Miss Turner, our matron, while visiting her Mother in the Blue Ridge Mountains, ran into some snow.

We have received some new quilts which have pretty colors and are very warm. We truly thank the ladies of the auxiliaries that sent them.

Our cottage had a Thanksgiving party and we all had lots of fun. On Thanksgiving we had a holiday and a delicious dinner, thanks to the kind friends who sent us the chickens, ice-cream, and other things. Later Mr. Sams invited us to see the picture show. All of us thank you, Mr. Sams.

We have ended our football with a good season. The midget teams went down to Charlotte to play their final games on November 30th. The 125-pound team has won their tenth straight championship. We are not sorry that football has ended because we can just go into basketball. A little later in the basketball season we will start praticing wrestling. We usually always have good wrestling teams.

This is the time of the year when Santa Claus wants to know what boys and girls want for Christmas. We have written our Santa Claus letters and are looking forward to a happy Christmas.

We all join together in wishing all of our readers a Merry Christmas and a Happy New Year.

—Jack McCall.

ANNIE LOUISE

Well Friends,

Time flies and we can not realize that it is time to write to you again.

Christmas is just around the corner. We know no one can be so glad when Santa Claus comes as the Annie Louise girls. We wrote our letters to him in school this week. We know he will bring us something nice.

Since we wrote you last, we have been to see Shirley Temple in "Just Around the Corner" and "Give Me a Sailor" in which Martha Ray and Bob Hope played. We enjoyed them both very much.

Some nice people in Belmont brought each one of us some beautiful candy and we sure enjoyed it, and want to thank them for it.

Betty Lou Davis, Gertrude Byrant, Mildred Monroe, Margaret Bullard, and Margaret Steed got the tickets to the picture show for excellent work in school during the past month. We are proud of all of them.

A splendid entertainment was iven in our school auditorium Monday night by a magician and ventriloquist. We had lots of fun seeing and hearing him.

We were happy to have so many friends come to see us on Home-Coming and Thanksgiving Days. We had a Thanksgiving service at the church Thursday morning and then we had the best dinner.

We welcome to our cottage Betty and Bobbie Pfaff from Winston-Salem. They seem very much at home and happy here with us.

You will be hearing from us again early next month.

We wish you all a Merry Christmas.

—Annie Louise Girls.

WOMANS' BUILDING

Howdy Everyone!

This is your Woman's Building reporter with last minute news.

We have a lovely new Zenith radio sent to us by our friends in the Charlotte Second Auxiliary We want to thank them and let them know just how much we enjoy listening to it.

We were very glad to see many of our old boys and girls on Home-Coming in spite of the rainy weather. Our boys came off the football field with the victory and plenty of mud.

We upstairs girls are very grateful to our friends in the Charlotte Second Auxiliary who are having our living room plastered and painted. Many thanks to you, dear friends.

The battle is on! Basketball season opened with a bang that was heard all around the campus. Our girls have been playing class games and they prove to be ready for a victorious season.

Alice Jones, Grace Cayton and Johnnie Burgin have been helping our Thanksgiving season by giving programs in various towns. They are accompanied by Hattie Michael and David Flowers.

As you all know, tomorrow is Thanksgiving. This day means something more than just a holiday to us here at the orphanage. We want to express our deep felt gratitude to our dear friends all over the state who are so good to us.

Thanksgiving Greetings to you all. We hope you have a Merry Christmas, too.

—Mary Penn Lindsey

DOWNPOUR GREETED

(Continued From Page One)

And then another big re-union was held at the football field. Remember, you people who were not at Barium, that it was raining. Not just one of these little play rains that you walk about in, but the kind of rain where it was difficult to see for 50 yards. If you need any proof or evidence of the loyalty of the alumni of Barium Springs, you should have seen the way they stood in that downpour and watched the football game.

Our game was between Barium and Albemarle. And maybe the teams were thinking about the danger of travel on the highway on such a wet day, because they made no touchdowns. It was "safety first" and "safety last", the final score being Barium 4, Albemarle 0.

Home-Coming Day in 1939 will be on Friday, December 1st, following Thanksgiving, unless a change is decided upon between now and then. We hope that it will be a clear day. There is nothing we at Barium enjoy more than renewing the ties that bind us to the fine body of men and women scattered all over this country, who claim Barium Springs as their childhood home.

Quite a number stayed over for supper and into Sunday. We tried to get a full list of those attending the Home-Coming day exercises. But, as is usually the case, our list is incomplete. We are below giving the names and addresses of all those who had time to sign the register:

Income Distribution

During the first eight months of 1938-1939, $22,671.66 was regularly contributed to the Orphanage at Barium Springs, with 46.6% of this coming from Sunday School Offerings, 32.9% from Church budgets, and 20.5% from Auxiliaries. On a monetary basis, this means that the Sunday Schools sent $10,545.20; the Church budgets appropriated $7,483.61, and Auxiliaries were responsible for $4,642.85 of the support fund. According to Presbyteries and organizations within each Presbytery is the following distribution:

Pres.	Ch.	S. S.	Aux.
Albe.	$ 262.64	$ 671.06	$ 747.32

To.	$7,483.61	$10,545.20	$4,642.85

No. Organizations

In November, 47 additional reports were received from Churches, Sunday Schools or Auxiliaries making their first regular 1938-1939 contributions to Barium, giving a current total of 245 Sunday Schools helping regularly, 206 church budgets and 169 Auxiliaries. Within the Presbyteries these were apportioned as follows:

Presbytery	Ch.	S. S.	Aux.
Albemarle	9	20	16

Football Season's Activities Reviewed

(Continued From Page One)

and took on what appears to us to be the strongest team in North Carolina, although, probably not the most consistent team in the state. Greensboro's team is big, fast, well coached, and turned out a sparkling performance. Barium made the first touchdown, which seemed to arouse Greensboro. They then turned on the power and made two touchdowns against us the "hard way", which was hard for both teams. The Greensboro weight was too much for Barium while these two touchdowns were being negotiated. Then in the last quarter, Greensboro's fastest backfield man, Whiteheart performed the most brilliant feat of the night. He sailed out around the end and outran all opposition to score standing up. As it turned out, his performance was the margin of victory. Barium Springs came back against what appeared to be overwhelming odds, drove the length of the field for a touchdown, making the final score 19 to 12 in favor of Greensboro.

There was a crowd of over 4000 people seeing this game, and they were as full of enthusiasm as any college crowd we have seen. And when the game was over the Greensboro folks did not let it stop there. The Barium boys had three distinct and separate invitations to supper, ranging all the way from the swanky Jefferson Standard Restaurant to the O. Henry Hotel dining room. The invitation that was accepted was the one extended by the school authorities. This was a most enjoyable occasion.

We had thought of dropping Greensboro from our schedule as being just a little heavy for our regular diet, but the cordiality of Greensboro and the school authorities makes us hesitate. We will very likely keep them on our varsity schedule.

On November 11th, Armistice Day, Barium Springs declared a truce with all outside opposition and began the serious warfare with Conference foes, the Hickory rebels were the boys that we undertook to subdue and this was done to the tune of Barium 26 to Hickory 0, before a large and enthusiastic crowd of home fans and Hickory visitors on Sloan Field. Hickory was not up to their full strength that day, two previous games with Lenoir and Newton had softened up some week spots on their team and old man Examinations had crippled up a few others.

On November 19th, Home Coming Day, it was the Weatherman that softened up things. Albemarle was the opposition. Both teams were in top physical form, neither one brought an alibi to the contest. But Old Jupiter Pluv purely did empty his bucket during this contest. In a pouring down rain this game was played. Neither team crossed the goal line, but Albemarle committed two errors in their own end zone which resulted in a final score of 4 to 0 for Barium. This was the first game in eight years that has been interferred with on our field by falling weather. It looks like it was the schedule maker's fault by putting the game on Saturday, because Friday was a pretty day. We had a fine Home Coming crowd in spite of the weather and many were loyal rooters and waders throughout the game.

On November 25th, Barium played its final game on a cold, clear, beautiful day. Everything was lovely about this crowd and game except the attendance. The Thanksgiving activities and the approaching Pitt—Duke game distracted the usual local fans to such an extent that this final splendid game was played before a rather small crowd. With Turkey Day games for Thursday and the big game on Saturday down in Durham, our sandwiched in game did not draw the usual fans. The final score was Barium 15, Concord 6. Even the Concord half-holiday for this game did not bring the usual youthful rooters. And a safety figured in this scoring. And so endeth the season! The varsity had 6 victories, 5 defeats. The scores, 103 for Barium, against 71 for the opponents. (To Be Continued).

"Big End" of the Year Is At Hand

SYNOD	$3,052.38	$12,023.34	17.8c	41.2c

As Synod came up to the 1938 Thanksgiving season for the Orphanage, the regular giving of this supporting body was $508.11 behind the regular amount that had been forwarded to Barium Springs on November 30, 1937. This difference in regular receipts was not as great as on October 31st, for Synod was $632.64 behind on that date, which means that the difference between the income for the two years was whittled down to the extent of $118.53 in the month of November.

The sum of $12,158.34 had been received as Thanksgiving Offering before the books were closed on the month of November. This was because Thanksgiving was earlier than usual this year, and also because the treasurers of the various oganizations were sending the Thanksgiving Offering to Barium in installments, rather than withholding the funds until the Offering had been completed. This was $4,665.03 more than had been welcomed as 1937 Thanksgiving Offering by November 30, 1937. In other words, about 30% of the Thanksgiving Offering had been forwarded to Barium Springs in the closing days of November.

Little comment is being offered on the table of receipts above this month, but full comment should be made when the December table is prepared, for the bulk of the Thanksgiving Offering will have been received before the new calendar year starts on January 1st. Discussion of the table is therefore reserved until next month.

News About Barium Alumni

From the Statesville Daily of November 23rd.

The following story tells of the tragic death of Mrs. Harry Gardner - Nee Lottie Turner - who graduated from the Barium Springs Orphanage in 1913, and her brother, Robert L. Turner, who was a member of a class graduating a few years later. An older sister, Mrs. Bayard (Susie) Turner, died in Raleigh in 1919. The three members of this family were among the most promising ever to finish at Barium.

New York, Nov. 22.— A man and woman drowned in the Hudson river Saturday when their automobile skidded on wet pavement near the foot of Manhattan and plunged into 40 feet of of water. Another man saved himself by smashing a car window.

The bodies of Mrs. Lottie Gardner, 43, of 425 South Third Street, Wilmington, N. C., and her brother, Robert L. Turner, 42, of Staten Island, an engineer on an oil tanker, were found in the car when it was raised to the surface. Harry Gardner, 47, husband of the woman, was taken to a hospital suffering from submersion, shock, and arm lacerations after being picked up by a towboat.

Police said the sedan, driven by Turner, swerved to avoid road construction work and crashed through a protecting stringpiece.

Gardner said he tried to open the door to get his wife out but was unsuccessful. As the car went off the bank, he said Mrs. Gardner cried out his name over and over again.

"I don't know how I got out of the car, he said, "but I probably crawled through a window. I must have smashed the glass because my arm was bleeding. The water was coming in the window as I crawled out."

Gardner said he was a locomotive engineer employed by the Atlantic Coast Line railway. He and his wife, he said, drove from Washington, D. C. Friday to Turner's Staten Island home.

As the bodies were being taken from the car, a police rowboat carrying two patrolmen overturned. The patrolmen were pulled to safety by fellow officers of a police launch.

WILMINGTON GETS REPORT ON FATAL GARDNER WRECK

Wilmington, Nov. 22.—Mrs. Lottie Gardner, 42, of Wilmington, drowned Saturday night when a car in which she and her husband, Harry Gardner, New Hanover county Commissioner, and Mrs. Gardner's brother were riding, plunged into the Hudson river at New York.

She came to Wilmington from her native Garner, N. C., at the age of 18 and has made her home here since.

She is survived by her husband, two daughters, Charlotte and Katherine, all of Wilmington, and a sister, Mrs. W. H. Gill, of Raleigh.

Relatives here, who talked with Gardner, a patient in the Broad Street hospital, New York City, said he was "in terrible shape" from shock.

Gardner is a brother-in-law of Wilbur Dosher, Wilmington postmaster and also of Aaron Goldberg, chairman of the New Hanover county Democratic executive committee. He was appointed to the New Hanover county board of commissioners to fill the unexpired term of the late Frank Ross Banker several years ago, and was re-elected as a member of the board in the November 4 general election.

Sunday School Meals

Elsewhere in The Messenger it is learned that the Synod is "running" $505.11 behind its giving to Barium a year ago. Sunday Schools have been responsible for $408.77 of that difference, for the giving to Barium from the Sunday Schools on November 30, 1938 was $408.77 less than what it was on November 30, 1937. Regular Offerings of Sun-Schools were arriving briskly in December. so maybe this will be a different story next month. Anyway, on the basis that is used every month of ten cents per member, 4,088 less meals could have been served with the Sunday School Offerings.

Sunday Schools in the $100.00 Club now number 25, which is six more than were in this classification last month. The following are those 25 Sunday Schools and the amount that each had regularly contributed:

Albemarle, $357.15; Concord First, $294.24; Winston-Salem, First, $224.91; Tenth Avenue, $221.97; Myers Park, $215.57; Rocky Mount First, $198.23; Burlington 1st, $194.65; Salisbury 1st, $180.00; North Wilkesboro, $178.86; Greensboro 1st, $178.56; Caldwell Memorial, $171.74; Shelby, $164.09; Buffalo (G), $159.86; Durham 1st $152.50; Rockingham, $150.37; Kannapolis, $146.35; Monroe, $126.49; Olivia, $123.45; Laurinburg, $122.01; Westminster (O), $121.80; Gastonia 1st, $119.19; Statesville 1st, $112.54; Belmont, $111.51; Highland, $108.14, and Mooresville First, $107.70.

The following meals could have been served with the Sunday School responses during the past 22 months:
